Remarks

Under Construction. Hemingway Expanded by Issa Homes in SeaFlower, a coastal-inspired, master-planned community in Northwest Bradenton. This one-story estate offers 3 bedrooms, 3 baths, a private study, club room, and split 2-car plus 1-car garages, with over 3,400 SF of refined living space on a 80' x 120' homesite. Interiors are curated by Reverie3D, featuring soft neutrals and pastels that evoke a classic Southeast coastal style. Design highlights include woven textures and soft textiles, matte finishes in baths and interior doors, brushed gold accents and glass tile in the kitchen, and classic yet contemporary lighting that enhances the home's airy feel. The open great room, oversized kitchen with large island, and dining area flow seamlessly to a covered outdoor room and porch. The private primary suite offers a spa-style bath and large walk-in closet, with secondary bedrooms positioned for privacy. SeaFlower features resort-style amenities at The Garden Club, including a clubhouse, pool, fitness facilities, and gathering spaces, along with walkable streets, scenic trails, lush natural surroundings, and the future Village Center with dining and retail options. Design selections, upgrades, and finishes are not included in the base price and will be added to the final purchase price.
